

Shun Channel**Manifold Kit**

Code	Model	Description
* 621161	MK-R3	3 port manifold 500psi off right+12ml dose control syringe+connecting tube+infusion set+spice line
621162	MK-L3	3 port manifold 500psi off left+12ml dose control syringe+connecting tube+infusion set+spice line
621163	MK-R2	2 port manifold 500psi off right+12ml dose control syringe+connecting tube+infusion set+spice line
621164	MK-L2	2 port manifold 500psi off left+12ml dose control syringe+connecting tube+infusion set+spice line
621166	MK-R3	3 port manifold 250psi off right+12ml dose control syringe+connecting tube+infusion set+spice line
621167	MK-L3	3 port manifold 250psi off left+12ml dose control syringe+connecting tube+infusion set+spice line
621168	MK-R2	2 port manifold 250psi off right+12ml dose control syringe+connecting tube+infusion set+spice line
621169	MK-L2	2 port manifold 250psi off left+12ml dose control syringe+connecting tube+infusion set+spice line

Note: The code with * mark means main selling items.
